FAIR RECEIPTS SINCE TUESDAY

LOCAL TRAWLERS AND DRAGGERS BROUGHT SMALL FARES OF FRESH FISH.

Local shore boats and druggers brought a fair supply of fresh fish to port since Tuesday's receipts, which helped the local dealers to supply in a small way, their outside trade. None of the fares were large, not over 5000 pounds, but with the gill net receipts, bolstered up the trade considerably.

LAUNCH ANOTHER

TRAWLER TODAY

The first launching of the plant of the Bath Iron Works Corporation will take place at 3 o'clock this afternoon at Bath, Me., when the Diesel beam trawler Fordham, sister trawler to the Notre Dame launched December 2, will go overboard.

Built for the Atlantic & Pacific Fish Company of Boston, the Fordham will be christened by Tony Siano of Waltham, captain of last season's football team at Fordham College. The policy of having a man sponsor the fishing craft that began when the Boston College was launched in 1928 has been adhered to with one exception. Of the seven beam trawlers built by the Bath Iron Works Corporation, but one, the Flow, has been christened by a girl. Miss Dorothy Thebeau, daughter of Treasurer L. Eugene Thebeau of the shipyard, having been the Flow's sponsor.
